Engine Code File

Electronic Control Module (ECM) that determine how long a fuel injector injects fuel into a cylinder for.

## **What Are Fuel Injector Trim Codes? | Highway & Heavy Parts**

Yes there are what is known as hot four digit trim codes for C15 engines. On most engines it does slightly increase fuel to the engine. The code is

# Download File PDF C15 54 Engine Code File

5232. This is the highest turn up calibration code for the injectors. It helps sometimes, and other times it doesn't help much. It just depends on the injector. Let me know if you need more help.

**Cat Man I heard that you can set the injector calibration**

...

Like the days of old when we would turn

Download File

PDF C15 54

Engine Code File

fuel screws to increase fuel to the engine.

Since we have no screws to turn on electronic engines. Cat uses these settings.

FLS is full load setting. That's the max fuel the engine will have at 1800 RPM's. FTS is full torque setting. That's the max fuel the engine will have at 1200 RPM's.

**Cat Man. Can you explain to me what**

In case someone might need it in the future, i'm attaching a PDF file with instructions how to remove it. Important detail about A pillar plastic removal, you do not need to cut the clips as suggested in the official manual. Get a long nose pliers, twist it 90 degrees, that would allow you to remove the plastic, and reinstall the same way.
