Contrastive Analysis And Error Analysis

Contrastive analysis assumed that errors have only one cause, namely influence from the mother tongue. However, it has since been found that intralingual and interlingual factors often combine to produce error. For example, in the acquisition of English sentence negation all learners, regardless of

Contrastive Analysis, Error Analysis, Interlanguage 1

Errors may also be classified according to the level of language: phonological errors, vocabulary or lexical errors, syntactic errors, and so on. They may be assessed according to the degree to which they interfere with communication: global errors make an utterance difficult to understand, while local errors do not.

Error analysis in second language acquisition ...

Contrastive linguistics emerged as a major subfield of applied linguistics in the 1940s and consolidated quickly throughout the 1950s and 1960s. When it became clear that contrastive linguistics was not going to provide the foundation for a comprehensive theory of foreign-language learning, the field started showing signs of strain.

Contrastive Analysis in Linguistics - Linguistics - Oxford ...

After receiving enthusiastic support during the 1960s and 1970s, the program of 'Contrastive linguistics' led a somewhat modest, if not marginal, existence during the two subsequent decades. The main reason for the apparent failure of this program was, of course, that the high hopes seen in its potential for making foreign language teaching more efficient were disappointed.

Contrastive linguistics and language comparison | John ...

contrastive analysis and on the study of learner language, with the aim of showing how these fields are connected. The textbook is intended to be used in combination with a selection of papers on individual topics, some of which go beyond corpus analysis. I am grateful to my co-workers in the project leading to the ENPC, in particular: Knut
