Political Stability And Civil Military

THE TENETS OF CIVIL-MILITARY RELATIONS. All regimes want armed forces that are both capable of national defense and subservient to political leaders. But the imperative to guard the guardians is greatest in democracies, which insist on decision-makers' accountability to the people.

Civilian Control of the Military Is a Partisan Issue ...

Civilian control of the military is a doctrine in military and political science that places ultimate responsibility for a country's strategic decision-making in the hands of the civilian political leadership, rather than professional military officers. The reverse situation, where professional military officers control national politics, is called a military dictatorship.

Civilian control of the military - Wikipedia

A paradox lies at the center of traditional civil-military relations theory. The military, an institution designed to protect the polity, must also be strong enough to threaten the society it serves. A military take-over or coup is a worst-case example. Ultimately, the military must accept that civilian authorities have the "right to be wrong".

Civil-military relations - Wikipedia

Gen. Mark Milley, the chairman of the Joint Chiefs of Staff, walked himself into a civil-military problem when he strode across Pennsylvania Avenue earlier this week. Milley was literally following President Donald Trump, who was on his way to be photographed in front of St. John's Episcopal Church in order to counter stories about the president holed up in his basement while riots raged ...
